REQUEST FOR RECONSIDERATION OF

**PETITION TO CORRECT INVENTOR'S NAME PURSUANT TO 37 CFR 1.324**

Commissioner for Patents

**Attention: Decisions and Certificates of Correction Branch**

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

Reconsideration is hereby requested of the January 25, 2008 denial of the Petition to Correct Inventor's Name Pursuant to 37 CFR 1.324 which was filed on September 27, 2007. A copy of the September 27, 2007 petition is included herewith.

The denial of the petition stated that the Patent and Trademark Office had "no authority to issue a certificate of correction under the provisions of 37 CFR 1.322." However, the petition was filed under a different section of the rules, *i.e.*, 37 CFR 1.324. Apparently the Patent and Trademark Office applied the wrong section of the rules when it considered the petition. Applicant believes that the petition as filed complied with all of the applicable requirements of 37 CFR 1.324 and should be granted.

Therefore, Applicant requests that the denial of the petition be withdrawn, the petition be

granted and Kenneth L. Stanwood be removed as an inventor on the patent.

Respectfully submitted,

Dated:
